

3-year Postdoctoral Research in Neuroscience -open call

The Laboratory of Epaminondas Doxakis at the Biomedical Research Foundation, Academy of Athens is looking for highly motivated postdoctoral researchers (or PhD students with a set date of completing their degree) to jointly submit proposals under the current Greek Ministry of Education Open Call for “support of postdoctoral researchers”. The deadline for the initial stage of proposals is 20/11/10.

Current lab projects are focused on the role of microRNAs and Hu proteins in brain development and disease. Ideas for research in other areas of Neuroscience are also welcomed.

Interested parties can be of any nationality, must be holders of a PhD for no longer than 7 years at the time of application and must have completed their military service, where applicable. Expressions of interest should be sent electronically to edoxakis@bioacademy.gr.
